RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable

enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

INTRODUCTION

The purpose of this circular is to provide the Shareholders with information regarding, among other things, the Issue Mandate, the Buy-back Mandate, the Scheme Mandate, the Dividends as well as the re-election of the relevant Directors.

By resolutions approved by the Shareholders entitled to vote at the annual general meeting of the Company, which were passed on 25 May 2016, general mandates were given to the Directors to allot, issue and deal with the Shares and to exercise the powers of the Company to buy-back its own Shares in accordance with the relevant rules set out in the Listing Rules and the Takeovers Code. These general mandates will lapse at the conclusion of the forthcoming Annual General Meeting unless renewed at that meeting. Ordinary resolutions will therefore be proposed at the Annual General Meeting to renew the general mandates to allot, issue and deal with Shares and to buy-back Shares.

Pursuant to the terms of the Share Scheme, any mandates given to the Board (or its duly authorised committee, officer(s) or delegate(s)) to allot and issue Shares under the Share Scheme will only remain in effect until the conclusion of the forthcoming Annual General Meeting. An ordinary resolution will be proposed at the Annual General Meeting to grant to the Board (or its duly authorised committee, officer(s) or delegate(s)) a new mandate to allot and issue Shares pursuant to the Share Scheme.

ISSUE MANDATE

At the Annual General Meeting, an ordinary resolution will be proposed for the Shareholders to consider and, if thought fit, approve and grant the Issue Mandate. The Shares which may be allotted and issued pursuant to the Issue Mandate are up to 20% of the total number of issued shares of the Company on the date of passing of the resolution approving the Issue Mandate. In addition, an ordinary resolution will also be proposed for the Shareholders to consider and, if thought fit, approve the extension of the Issue Mandate by adding to the aggregate number of Shares which may be allotted and issued or agreed conditionally or unconditionally to be allotted and issued by the Directors pursuant to the Issue Mandate the number of Shares bought-back under the Buy-back Mandate, if granted.

Details of the Issue Mandate and the extension of the Issue Mandate are respectively set out in resolution numbers (10) and (11) in the notice of the Annual General Meeting set out on pages 20 and 21 of this circular. The Issue Mandate will expire upon whichever is the earliest of: (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable law to be held; and (c) the revocation or variation of the authority given to the Board under the ordinary resolution approving the Issue Mandate by passing of an ordinary resolution of the Shareholders in general meeting.

LETTER FROM THE BOARD

BUY-BACK MANDATE

At the Annual General Meeting, an ordinary resolution will be proposed for the Shareholders to consider and, if thought fit, approve and grant the Buy-back Mandate. The Shares which may be bought-back pursuant to the Buy-back Mandate are up to 10% of the total number of issued shares of the Company on the date of passing of the resolution approving the Buy-back Mandate.

The Buy-back Mandate will expire upon whichever is the earliest of: (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable law to be held; and (c) the revocation or variation of the authority given to the Board under the ordinary resolution approving the Buy-back Mandate by passing of an ordinary resolution of the Shareholders in general meeting.

An explanatory statement as required under the Listing Rules, giving certain information regarding the Buy-back Mandate, is set out in Appendix I to this circular.

SCHEME MANDATE

The Share Scheme was adopted by the Board on 17 October 2013 and by the Shareholders on 26 November 2013. The Share Scheme is not subject to the provisions of Chapter 17 of the Listing Rules and provides (among other things) that (a) for grants to the beneficiaries who are not connected persons (as defined in the Listing Rules) of the Company, the trustee for the Share Scheme (who is a professional institution, the “Trustee”) shall subscribe, on behalf of the beneficiaries, for new Shares at nominal value from the Company (the “Subscription”); and (b) for grants to the beneficiaries who are connected persons of the Company, the Trustee shall purchase, on behalf of the beneficiaries, Shares from the market, so that the grants under (a) or (b) above will not constitute connected transactions (as defined in the Listing Rules) of the Company. In accordance with the Share Scheme, the maximum number of Shares which may be subscribed for by the Trustee on behalf of the beneficiaries (other than beneficiaries who are connected persons of the Company), during the period between one annual general meeting and the subsequent annual general meeting, must not exceed 2% of the total number of issued shares of the Company as at the date of the earlier annual general meeting. At the Annual General Meeting, an ordinary resolution will be proposed for the Shareholders to consider and, if thought fit, to approve the Scheme Mandate.

The purpose of the Share Scheme is to attract skilled and experienced personnel, to incentivise them to remain with the Group and to give effect to the Group’s customer-focused corporate culture, and to motivate them to strive for the future development and expansion of the Group, by providing them with the opportunity to acquire equity interests in the Company.

The Board (or its duly authorised committee, officer(s) or delegate(s)) may determine as to which of the Eligible Persons (on the basis of the recommendations from the Company’s remuneration committee as delegated and authorised by the Board, including any director or any other member of senior management of the Group) should be entitled to receive grants of Shares under the Share Scheme, together with the number of Shares to which each proposed beneficiary should be entitled.

LETTER FROM THE BOARD

The Scheme Mandate will only remain in effect until whichever is the earliest of: (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable law to be held; and (c) the revocation or variation of the authority given to the Board (or its duly authorised committee, officer(s) or delegate(s)) under the ordinary resolution approving the Scheme Mandate by passing of an ordinary resolution of the Shareholders in general meeting.

In accordance with the terms of the Share Scheme, any proposed beneficiary to whom any Share is proposed to be granted through the Subscription under the Share Scheme, including such beneficiaries being management members, employees and third party service providers of the Group (but excluding, for the avoidance of doubt, the Directors or any directors of the Company's subsidiaries or any other connected persons of the Company who will not be entitled under the Share Scheme to receive grants of Shares through the Subscription under the Share Scheme) and his/her associates (as the term is defined in the Listing Rules), shall abstain from voting on the relevant resolution granting the Scheme Mandate at the Annual General Meeting. The Board (or its duly authorised committee, officer(s) or delegate(s)) currently proposes to grant Shares under the Share Scheme to 2,372 beneficiaries comprising management members, employees and third party service providers of the Group, and the total number of Shares proposed to be granted is 139,289,223, representing approximately 1.74% of the total number of issued shares of the Company as at the Latest Practicable Date. Shareholders who are management members or employees or third party service providers of the Group (other than Directors or any directors of the Company's subsidiaries or any other connected persons of the Company who will not be entitled under the Share Scheme to receive grants of Shares through the Subscription) and their associates (as the term is defined in the Listing Rules) shall abstain from voting on the relevant resolution granting the Scheme Mandate at the Annual General Meeting.

As at the Latest Practicable Date, the total issued share capital of the Company comprised 7,985,254,691 Shares of US\$0.04 each. Subject to passing of the ordinary resolution approving the Scheme Mandate and on the basis that no further Shares will be issued or bought-back prior to the Annual General Meeting and that no Shares will be purchased from the market pursuant to the Share Scheme, exercise in full of the Scheme Mandate will result in up to 2% of the total number of issued shares of the Company as at the Latest Practicable Date or 159,705,093 Shares being allotted and issued and the interest of each existing Shareholder will be reduced by approximately 1.96% based on the enlarged total number of issued shares of 8,144,959,784 Shares (assuming the number of Shares held by the existing Shareholders remains unchanged). On the basis of the closing price of HK\$2.73 per Share as at the Latest Practicable Date and the Scheme Mandate being exercised in full, the aggregate market value of the 159,705,093 Shares to be allotted and issued pursuant thereto would be approximately HK\$435,994,904. The Company expects that the costs attributable to the grant of any Shares under the Share Scheme will be accounted for by reference to the market value of such Shares at the time of grant. The Company will give due consideration to any financial impact arising from the grant of Shares under the Share Scheme before exercising the Scheme Mandate. Since the date of the last annual general meeting held on 25 May 2016 to the Latest Practicable Date, 91,551,539 Shares were allotted and issued to the Eligible Persons through the Subscription under the Share Scheme.

LETTER FROM THE BOARD

Application will be made to the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares which may be allotted and issued by the Company pursuant to any Subscription under the Share Scheme, representing up to 2% of the total number of issued shares of the Company as at the date of passing of the resolution approving the Scheme Mandate.

PROPOSED DECLARATION AND PAYMENT OF DIVIDENDS

As the proposed declaration and payment of the Dividends may or may not be approved by Shareholders at the Annual General Meeting, Shareholders and potential investors are advised to exercise caution in dealing in the Shares.

1. Final Dividend and Special Dividend

The Board has resolved to recommend the declaration and payment to each Qualifying Shareholder of the Final Dividend of US\$0.00526 per Share (which in aggregate amounts to approximately US\$42,000,000), and the Special Dividend of US\$0.01252 per Share (which in aggregate amounts to approximately US\$100,000,000), respectively, for the year ended 31 December 2016, subject to the approval of Shareholders at the Annual General Meeting. The proposed aggregate amount of the Dividends is calculated on the basis of 7,985,254,691 Shares in issue as at the Latest Practicable Date.

Subject to the approval of Shareholders at the Annual General Meeting, the Dividends (to be rounded up to two decimal places, if necessary) are expected to be paid in cash on Friday, 16 June 2017, and the Dividend warrants will be despatched to the Qualifying Shareholders on the same date.

The Dividends will be payable in United States dollars save that those Shareholders with a registered address in Hong Kong will receive an equivalent amount in Hong Kong dollars (to be rounded up to two decimal places, if necessary) which will be calculated at the rate of exchange as quoted to the Company by its relevant banker at its middle rate of exchange prevailing on the date of the Annual General Meeting.

2. Condition to Declaration and Payment of Dividends

The declaration and payment of the Dividends are conditional upon the passing of the corresponding ordinary resolutions at the Annual General Meeting.

If the condition set out above is not satisfied, the proposed Dividends will not be declared and paid, and the cash representing the proposed Dividends will be used for the Group's general working capital purposes.

3. Reasons for Proposed Declaration and Payment of Dividends

The Board would like to declare and pay the Dividends to Shareholders to express the Board's gratitude and appreciation of the continuing support from Shareholders throughout the year ended 31 December 2016.

LETTER FROM THE BOARD

In addition, in light of the Group's accumulation of cash and bank balances (including bank deposits), which add up to an aggregate of approximately US\$1,531,625,000 as at 31 December 2016, even with the capital expenditures and investments required to fund and support the Group's continuous growth, the Board has considered that a return of surplus cash to Shareholders will create a more efficient capital structure for the Group's business operations going forward.

Having reviewed and taken into account the Group's future capital needs and cash flow requirements (including working capital commitments, capital expenditures and identifiable investment opportunities) in support of its near-term business operations, the Board has determined that the Group would continue to have surplus cash, of which a portion could be distributed as Dividends to Shareholders in respect of the year ended 31 December 2016 and such distribution is in the interests of the Company and Shareholders as a whole.

4. Closure of Register of Members

In addition to the closure of the Company's register of members for the purposes of the Annual General Meeting as more particularly described in the notice of Annual General Meeting, the register of members of the Company will be closed from Thursday, 1 June 2017 to Monday, 5 June 2017, both dates inclusive, during which period no transfer of Shares will be registered. In order to become a Qualifying Shareholder, all transfers of Shares accompanied by the relevant share certificates and properly completed and signed transfer forms must be lodged with the branch share registrar of the Company in Hong Kong, Computershare Hong Kong Investor Services Limited, at Rooms 1712–1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong for registration no later than 4:30 p.m. on Wednesday, 31 May 2017.

The Board considers that (a) the granting of the Issue Mandate and the Buy-back Mandate; (b) the granting of the Scheme Mandate; (c) the declaration and payment of the Dividends; and (d) the re-election of the relevant Directors to be proposed at the Annual General Meeting are in the interests of the Company and the Shareholders as a whole. Accordingly, the Board recommends the Shareholders to vote in favour of all the resolutions to be proposed at the Annual General Meeting.

Yours faithfully
For and on behalf of the Board
CHIH Yu Yang
Acting Chairman

The following is the explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the Buy-back Mandate.

LISTING RULES

The Listing Rules permit companies with a primary listing on the Stock Exchange to buy-back their fully-paid up shares on the Stock Exchange subject to certain restrictions.

SHAREHOLDERS' APPROVAL

The Listing Rules provide that all on-market share buy-backs by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by specific approval of a particular transaction or by a general mandate to the directors of the company to make such buy-backs.

SHARE CAPITAL

As at the Latest Practicable Date, the total issued share capital of the Company comprised 7,985,254,691 Shares of US\$0.04 each. Subject to passing of the ordinary resolution approving the Buy-back Mandate and on the basis that no further Shares will be issued, purchased or bought-back prior to the Annual General Meeting, exercise in full of the Buy-back Mandate can result in up to 798,525,469 Shares being bought-back by the Company during the period from 25 May 2017, being the date of the Annual General Meeting, up to the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable law to be held; and (iii) the revocation or variation of the authority given to the Board under the ordinary resolution approving the Buy-back Mandate by passing of an ordinary resolution of the Shareholders in general meeting.

REASONS FOR BUY-BACK

The Directors believe that it is in the interests of the Company and its Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to buy-back Shares in the market. This will effectively alleviate the extra burden of the Share Scheme and the Share Option Scheme on the Company's financial results.

FUNDING OF BUY-BACK

Buy-back must be made out of funds which are legally available for such purpose in accordance with all applicable laws of the Cayman Islands and the Memorandum and Articles of Association.

Any buy-back by the Company may be made out of the profits of the Company or out of a fresh issue of Shares made for the purpose of the buy-back or, if authorised by the Memorandum and Articles of Association and subject to the Companies Law, out of capital and, in the case of any premium payable on the buy-back, out of the profits of the Company or

from sums standing to the credit of the share premium account of the Company or, if authorised by the Memorandum and Articles of Association and subject to the Companies Law, out of capital.

The Directors consider that the exercise in full of the Buy-back Mandate to buy-back Shares might have a material adverse impact on the working capital or the gearing position of the Company as compared with its financial position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2016. However, no buy-back will be made in circumstances that may have a material adverse impact on the working capital or gearing position of the Company unless the Directors consider that such buy-backs are in the best interests of the Company notwithstanding such material adverse impact.

SHARE PRICES

The monthly highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months prior to the Latest Practicable Date were as follows:

Month	Share Prices (per Share)	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2016		
April	3.382	3.004
May	3.165	2.315
June	2.710	2.450
July	2.880	2.480
August	2.800	2.520
September	2.770	2.550
October	2.770	2.550
November	2.620	2.390
December	2.550	2.390
2017		
January	2.580	2.440

March	3.340	2.970
April (up to the Latest Practicable Date)	3.160	2.700

THE TAKEOVERS CODE

If as a result of a buy-back of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or group of

Shareholders acting in concert, depending on the level of increase of shareholding interest, could obtain or consolidate control of the Company and may become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Hon Hai (through Foxconn Far East) was interested in a total of 5,081,034,525 Shares, representing approximately 63.63% of the total number of issued shares of the Company as at such date. In the event that the Company exercises the Buy-back Mandate in full, assuming that the total number of the issued Shares of the Company remains at 7,985,254,691 Shares and there is no alteration to the existing shareholding of Hon Hai and Foxconn Far East, the indirect shareholding of Hon Hai in the Company will increase to approximately 70.70%. The Directors are not aware of any consequence that would give rise to an obligation on the part of Hon Hai to make a mandatory offer under rule 26 of the Takeovers Code. Also, the Directors have no present intention to buy-back Shares to an extent which will result in the number of Shares held by the public being reduced to less than 25%.

DIRECTORS AND THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and having made all reasonable enquiries, any of their close associates (as the term is defined in the Listing Rules), has any present intention to sell Shares to the Company or its subsidiaries if the Buy-back Mandate is approved by the Shareholders.

No core connected person (as the term is defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company and no such person has undertaken not to do so in the event that the Buy-back Mandate is approved by the Shareholders.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange, so far as the same may be applicable, to exercise the power of the Company conferred to it under the Buy-back Mandate in accordance with the Listing Rules and all applicable laws of the Cayman Islands.

BUY-BACK MADE BY THE COMPANY

No Share has been bought-back by the Company in the preceding six months (whether on the Stock Exchange or otherwise) ending on the Latest Practicable Date.

The following are the particulars of the four Directors proposed to be re-elected at the Annual General Meeting:
